

Power Special Non-woven Wallpaper Paste

Instructions for use:

Power Special Non-woven Wallpaper Paste is suitable for pasting woodchip wallpapers, paper wallpapers, vinyl wallpapers and similar wall coverings.

Technical specifications:

Components: starch ether, polyvinyl acetate powder
 Apparent weight: approx. 0.50 g/cm³
 pH-value: approx. 8
 Solubility: ready for use after approx. 30 minutes
 Usage: approx. 200 ml/m²

Surface preparation:

The surface must be dry, firm, dust and free of release agents (dust, grease, etc.) Remove all old, loose wallpapers and distempers using *decotric Wallpaper Remover*. Make good cracks and holes using *decotric interior*.

Pre-treat strongly absorbent, abrasive and chalky surfaces with *decotric Power Primer PP*. Water-soluble contaminations in the surface, which could show through when wallpapered over, should be isolated.

To make a subsequent change of wallpaper easier, we recommend priming the surface with *decotric Wallpaper Base Primer 'Tapeten-Wechselgrund'*, especially when hanging washable wallpapers.

Application:

Stirring vigorously, sprinkle *Power Special Non-woven Wallpaper Paste* into clean, cold water and continue to stir for a few minutes. Leave for approx. 30 minutes and then stir vigorously again.

Evenly apply the adhesive to the wallpaper using a wallpapering machine or brush, fold the fold the pasted ends inwards and hang after an adequate soaking time. Always observe the wallpapering machine and wallpaper manufacturer's instructions for use.

We recommend to add 750 g *decotric Wallpaper and Border Adhesive* per 200 g packet *Power Special Non-woven Wallpaper Paste* for use on hardly absorbent surfaces and to increase the moisture resistance.

Do not use if the surface and room temperature are below + 5° Celsius!
 Remove adhesive residues using a damp cloth.
 Clean tools in water after use.

Mixing ratio:

for	Mixing ratio	Quantity of water per 200-g packet	Coverage of a 200-g packet
Pre-pasting	1:40	8	60-80 m ²
Heavy wallpapers	1:20	4	22-26 m ²
Woodchip wallpapers	1:20	4	22-26 m ²
Special adhesive tasks, unprinted embossed wallpapers	1:15	3	10-15 m ²

Storage:

Store in a cool and dry place!

Available size:

200 g collapsible box 002901173
